

**Advertisement: Postdoctoral Fellow positions in Construction and Environment
The Hong Kong Polytechnic University**

Smart and Digital Construction research group at The Hong Kong Polytechnic University is looking for potential Postdoctoral Fellow. Interested candidates may contact Dr. Yiwei Weng, who is an Assistant Professor in Department of Building and Real Estate at The Hong Kong Polytechnic University. Dr. Weng's works could be found in [Google Scholar](#) and [ResearchGate](#).

Qualifications

Application for the **Postdoctoral Fellow post** should have a doctoral degree or equivalent in material, civil, and manufacturing engineering with a strong background in the fields of *constructional material and mechanical design*. He/She should also possess track record of publications and/or professional activities in the field. Successful candidates will work with Dr Weng and will have the opportunity to work with cut-edging materials and technology and to work in an international, collaborative, supportive, and inclusive interdisciplinary research environment.

Applicants are invited to contact Dr. Yiwei Weng at tel. no. 2766 5802 or email yiwei.weng@polyu.edu.hk for further information. Only shortlisted candidates will be notified. The review of applications will begin immediately.

Remuneration

A highly competitive remuneration package will be offered.
